Mail Stop Appeal Brief - Patents
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Attention: Board of Patent Appeals and Interferences

TRANSMITTAL OF APPEAL BRIEF

The enclosed brief is being filed in furtherance of the Notice of Appeal filed on April 14, 2008, and Notice of Panel Decision from Pre-Appeal Brief Review, mailed May 21, 2008. The present filing date of June 23, 2008, is within the permissible one month term for filing the present brief, measured from the mailing date of the Notice of Panel Decision. More specifically, June 23, 2008, is the first business day after June 21, 2008, which corresponds to a Saturday.

In connection with filing the Appeal Brief, a fee in the amount of \$10 is believed to be due, which corresponds to the fee for filing an Appeal Brief reduced by an appropriately applied credit for previously paid fees (\$510 minus \$500). The fee for filing an Appeal Brief in the

amount of \$510 has in effect already partially been paid, as the presently due fee is appropriately reduced by \$500, an amount corresponding to a previous amount already paid in connection with the previous filing of an Appeal Brief on March 20, 2007. The previous Appeal Brief filing fee should be applied to the filing of a later Appeal Brief in the same application, because the prosecution was re-opened by the Examiner, prior to a decision on the merits by the Board. Consequently the previous fees paid are appropriate to be applied to a later filed Appeal Brief (see MPEP §1207.04).

The undersigned authorizes the Commissioner and respectfully requests that this fee be charged to Motorola's deposit account 50-2117. The Commissioner is further authorized to charge any additional fees deemed to be necessary in connection with the proper handling and consideration of the enclosed Appeal Brief in support of the appeal from the Examiner's final rejection, including any underpayments, and/or credit any overpayments to deposit account 50-2117.

Respectfully submitted,
